Yancey Bros. Co.: Leasing Options and Technology Advances in Construction Equipment

Greg DeWalt, Yancey Corporate Marketing Manager & Yancey Representatives

There are many different purchase and leasing options when your county is ready to acquire new construction equipment. Yancey and Caterpillar Financial will discuss the benefits of each option that will result in the most 'bang for your buck' for your county. When your machine is in the field there are new onboard and remote technologies that will help your operators be more efficient and your equipment more productive.

Mauldin & Jenkins: Moving Beyond Transparency - GASB 77 - Tax Abatement Disclosures

Miller Edwards, CPA, Mauldin and Jenkins LLC

Mauldin & Jenkins offers unique accounting and financial solutions so you can focus on the administration and operation of your local government. With over 300 governments served, they serve more governmental entities than any other firm in Georgia. Recently, a new financial reporting pronouncement was issued by the Governmental Accounting Standards Board (GASB) and it requires counties to begin disclosing the effects of tax abatement agreements entered into with other third parties. Learn more about this pronouncement and the effect it will have on your county going forward.

Coast2Coast Rx Card: Free Healthcare Discount Programs for All County Residents

Roger White, Coast2Coast Rx Regional Sales Manager

Coast2Coast Rx provides county governments with the opportunity to increase positive health outcomes and improve the overall level of health of their residents. Coast2Coast Rx will provide, at no cost to the county or county residents, a discount program that makes prescription medications and other healthcare products and services more affordable. In 2015 the Coast2Coast Rx Card saved Georgia county residents \$6,340,696.93 on 68,725 filled prescriptions; for an average savings of \$92.26 per prescription!

EasyVote Solutions: Elections Management Software

Ron Davis, EasyVote Solutions Chief Executive Officer, Sandy Phillips, EasyVote Solutions Director of Implementation & Support and Greg Whiten, EasyVote Solutions Account Manager

EasyVote Solutions provides software-as-a-service (SaaS) applications that streamline the processes behind running successful elections. Their software package reduces the time that it takes to perform election tasks. This improves communication and accuracy between officials and election workers and provides data which enables election officials to make intelligent, informed decisions.

LGRMS (Local Government Risk Management Services): Where are your losses?

Dan Beck, Director of LGRMS

Are you having repetitive losses in the same areas or departments? Learn about the best practices to reduce the risk of reoccurrence.

GEBCorp / ACCG Retirement Services:

Kale Hodges, ACCG – GEBCorp Retirement Services Director or ACCG - GEBCorp Client Services Representatives

Although research shows plan sponsors and participants may have differing perspectives on how to best prepare participants for a comfortable retirement, it also points out the real possibility of some share solutions. How does a plan sponsor balance cost with benefit? How does a plan sponsor opt for involvement? How do employees want to be educated on retirement? To help your employees reach their retirement goals, work with ACCG Retirement Services to adopt a plan approach designed to drive outcomes.
