

Until 11:59 PM on May 13, 2020, **body art studios, barbers, cosmetologists, hair designers, nail care artists, estheticians, their respective schools, massage therapists, and tanning facilities** must meet the following minimum criteria to reopen:

- Providing services by appointment only. Walk-in patrons should not be allowed;
- Patrons should be required to sanitize their hands upon entering the facility and before any treatment;
- Providing hand sanitizer or sanitization wipes to patrons upon arrival;
- Posting signs at the entrance and at eye-level at each workstation stating that any patron who has symptoms of COVID-19 must reschedule their appointment;
- Allowing only one patron per service provider in the business at any one time;
- Allowing one parent to be within a facility if a minor child is receiving a haircut;
- Requiring patrons to wait in their car until service provider is ready;
- Staggering use of every-other workstation or spacing workstations more than 10 feet apart, whichever option is practicable given the facility's configuration;
- Staggering work schedules so that no more than 50% of the normal number of employees providing services will be in the business at a time;
- Requiring all employees to wear Personal Protective Equipment as available and appropriate to the function and location of the worker within the business location;
- Sanitizing all equipment, chairs, and tables used by employees and patrons between each client visit;
- Utilizing disposable materials and supplies as much as practicable according to state rules and regulations;
- Training all employees on additional measures both verbally and in writing;
- Screening and evaluating workers who exhibit signs of illness, such as a fever over 100.4 degrees Fahrenheit, cough, or shortness of breath;
- If a retail business, posting a sign on the storefront stating that individuals who have a fever or other symptoms of COVID-19 shall not enter the store;
- Requiring workers who exhibit signs of illness to not report to work or to seek medical attention;
- Enhancing sanitation of the workplace as appropriate;
- Disinfecting common surfaces regularly;
- Requiring hand washing or sanitation by workers at appropriate places within the business location;
- Prohibiting Gatherings of workers during working hours;
- Permitting workers to take breaks and meals outside, in their office or personal workspace, or in such other areas where proper Social Distancing is attainable;
- Implementing teleworking for all possible workers;
- Holding all meetings and conferences virtually, whenever possible;
- Delivering intangible services remotely, whenever possible;
- Discouraging workers from using other workers' phones, desks, offices, or other work tools and equipment;
- Prohibiting handshaking and other unnecessary person-to-person contact in the workplace;
- Placing notices that encourage hand hygiene at the entrance to the workplace and in other workplace areas where they are likely to be seen;
- Enforcing Social Distancing of non-cohabitating persons while present on such entity's leased or owned property;
- For retailers and service providers, providing for alternative points of sale outside of buildings, including curbside pick-up or delivery of products and/or services if an alternative point of sale is permitted under Georgia law;
- Open sales registers must be at least six (6) feet apart;
- Point of sale equipment should be frequently cleaned and sanitized;
- Increasing physical space between workers and patrons; and
- Suspending the use of Personal Identification Number ("PIN") pads, PIN entry devices, electronic signature capture, and any other credit card receipt signature requirements to the extent such suspension is permitted by agreements with credit card companies and credit agencies.
