---

At the conclusion of the meeting, attendees will have the opportunity to tour the Laurens County Landfill with a focus on their composting operations.

Laurens County Solid Waste Management Authority's Old Macon Road Landfill is a 498 acre facility originally opened in 1996. The facility includes MSW, C&D and Inert landfills as well as a composting operation.

In 2008, LCSWMA's Old Macon Road Landfill became the first landfill in Georgia permitted to compost biosolids and later added animal mortalities and food residuals to the composting operation.

Laurens County Landfill address: 1645 Old Hawkinsville Road, Dublin, Georgia 31021.
