Friends,

The Jones County Parks and Recreation Department has a goal to offer a comprehensive program which provides facilities and services for the entire community. In our constant effort to expand Parks and Recreation, we are working to build a Special Needs Playground for our kids. It will allow all kids with various ability levels to play and interact safely among each other and learn to accept all levels of play. The playground will also have a safe rubber flooring along various sections to aid with wheelchair and walker access. The playground will consist of wheelchair ramps, sensory play boards, and other devices that provide opportunities for all kids to play especially those in our community that have difficulty accessing the equipment at current playgrounds.

In order to raise funds for this playground, we are hosting Golf "Fore" Kids Golf Tournament. The golf tournament will be held at Lake Jonesco on September 26th at 12 noon. Golfers will enjoy the beautiful course and a low country boil; while helping to raise funds for this worthy cause. Individual golfers will pay \$50 and a foursome will pay \$200. This will also be a great opportunity to show your support and/or promote your business by sponsoring a hole for \$150.

To learn more about the golf tournament and playground, give me a call or Matt Goins at 986-6075. If you would like to participate or make a financial donation, make your check(s) payable to Jones County Board of Commissioners and write Special Needs Playground in the memo section.

Thank you in advance for your support,

Jonathan L. Pitts
Jones County Commissioner – District 2
