- If you were elected prior to 2012, your user ID is the first letter of your first name and your full last name, and your password is your county's name. These should be all lower case. (For example, you are fictional commissioner John Doe from Campbell County. Your user ID would be **jdoe**, your password would be **campbell**.)
- If you were elected in 2012 or later, your user ID is the first two letters of your first name and your full last name, and your password is your county's name. These should be all lower case. (For example, you are fictional commissioner John Doe from Campbell County. Your user ID would be **jdoe**, your password **campbell**.)
