Policy Issues On the Horizon

The following issues are expected to be discussed over the remainder of 2019 and legislation potentially introduced on the topic during the 2020 session of the GA General Assembly. ACCG is seeking input on these issues and encourages county officials and staff to indicate if they are interested in staying engaged on a particular topic(s).

Please check the issues you are interested in (feel free to check more than one):

- Mental Health Treatment Alternatives City/County Service Delivery and LOST Negotiations
- EMS Service Provider Regulating Forest Logging Operations Regulating Short-term Rentals
- Increasing the Supply of Affordable/Workforce Housing Improving Freight and Logistics
- Rural Economic Development Solid Waste Management
