

FROM GEORGIA. FOR GEORGIA: YANCEY RENTS EXPANDS TO 18 LOCATIONS

For more than a century, Yancey Bros. Co. has been synonymous with reliability and service across Georgia. In 2025, Yancey Rents proudly strengthened that legacy by expanding its footprint to 18 rental locations statewide, including two new stores in Covington and Bainbridge.

This growth isn't just about numbers — it's about proximity, speed, and local expertise. With one of the most expansive physical footprints and diversified rental asset mixes in Georgia, including CATERPILLAR earthmoving equipment, aerial work platforms, and light towers, to name but a few, Yancey Rents ensures:

- **Efficient Response Times:** Our customers get the equipment they need when they need it.
- **Local Knowledge:** Every location is staffed by Georgians who understand the unique demands of our communities.
- **Community Commitment:** We're not just serving Georgia — we're investing in it.

"Yancey Bros. Co. has proudly served Georgia for over 111 years, and our recent store openings, expansion of our rental offerings, and addition of talented Georgians to our workforce further enable us to live out our company's mission to serve, solve, and succeed."

- Jason Glover, Senior Vice President, Yancey Rents

Whether you're managing a major construction project or tackling a weekend job, Yancey Rents is your trusted partner—from Georgia, for Georgia.
